CHICAGO – Patrick McDonald of HollywoodChicago.com appears on The Eddie Volkman Show on WSSR-FM (Star 96.7 Joliet, Illinois) on March 12th, 2021, reviewing the new documentary “Kid 90,” streaming on HULU beginning on Friday, March 12th.

Rating: **3.5/5.0**

Remember Soleil Moon Frye? She was the child actor who brought the character “Punky Brewster” to life in that late 1980s sitcom. After the series ended, and through her teenage years in the 1990s (thus “Kid 90”), she had an ever-present camcorder that chronicled her life in that decade ... and the lives of her fellow kid actors like Stephen Dorff, Heather McComb, David Arquette, Leonardo DiCaprio and Mark-Paul Gosselaer. The documentary is a look back at the footage, and the up/down lives associated with it.

“Kid 90” is available to stream on HULU beginning March 12th. Featuring Soleil Moon Frye, Stephen Dorff, Heather McComb, David Arquette, Leonardo DiCaprio and Mark-Paul Gosselaer. Rated “TV-MA”
