CHICAGO – Patrick McDonald of HollywoodChicago.com appears on The Eddie Volkman Show on WSSR-FM (Star 96.7 Joliet, Illinois) on March 12th, 2021, reviewing the new documentary “The Falcon and The Winter Soldier,” streaming on Disney+ beginning on Friday, March 19th.

Rating: **4.5/5.0**

In this new streaming miniseries, The Falcon (Anthony Mackie) and The Winter Soldier (Sebastian Stan) are back, just after the events depicted in the “Avengers Endgame” film. In the post-blip world, The Falcon is working for the military, and the Winter Soldier is in therapy. Things get hot when a new international crime group emerges, and the United States is looking to find another hero.

“The Falcon and The Winter Soldier” is available to stream on Disney+ beginning March 19th. Featuring Anthony Mackie and Sebastian Stan. Created by Malcolm Spellman. Rated “TV-14”
