CHICAGO – Patrick McDonald of HollywoodChicago.com appears on The Eddie Volkman Show on WSSR-FM (Star 96.7 Joliet, Illinois) on July 23rd, 2021, reviewing the new M. Night Shyamalan film chiller “Old,” opening in theaters on Friday, July 23rd.

Rating: **3.5/5.0**

This is the latest from M. Night Shaymalan, the master of creepy who gave us “The Sixth Sense” and “Broken,” among others. This time, persons staying in a resort are taken to a remote private beach, where they begin to rapidly get older. There is a force affecting their cells and everything that happens in a lifetime happens in one day. Getting off the beach is the challenge for the rapidly aging vacationers.

*“Old” opened in theaters on July 23rd. Featuring Gael Garcia Bernal, Vicky Krieps, Rufus Sewell, Alex Wolff and Thomaain McKenzie. Screenplay adapted and directed by M. Night Shyamalan. Rated “R”*
