CHICAGO – The concert season has begun full throttle again and what better man to put that accelerator down than Slash, former lead guitarist of Guns N' Roses and now on worldwide tour with band collaborators Myles Kennedy & The Conspirators. The band features lead singer Kennedy, Slash, bassist Todd Kerns, drummer Brent Fitz and rhythm guitarist Frank Sidoris. They appeared in Chicago at the Riviera Theatre (The Riv) on March 2nd, 2022, and Music Photographer Jeff “Doc” Doles got the Exclusive Photos.

Slash and the Myles Kennedy foursome released “Apocalyptic Love” in 2012, followed by “World of Fire” (2014) and “Living the Dream” (2018). They are touring on the heels of their latest release, “Enter 4.” Slash recently said they captured a certain “magic” on the album – the sound of five musicians and band mates listening to and playing off one another in the spirit of live, in-the-moment collaboration.
