CHICAGO – Patrick McDonald of HollywoodChicago.com appears on Eddie Volkman Show with Hannah B on Star 96.7 WSSR-FM (Joliet, IL) reviewing the new Blu-Ray edition of “Harold and Maude,” the cult classic featuring Ruth Gordon and Bud Cort in the ultimate May/December lesson about freedom, passion and love.

Rating: **5.0/5.0**

“Harold and Maude” was released over 50 years ago in 1971, and it was directed by Hal Ashby – his second film as director after a Oscar-winning career as an editor – and featured Bud Cort as Harold and Ruth Gordon as Maude. 20-year-old Harold is obsessed with death, after rejecting his life of privilege and his detached mother (Vivian Pickles). Enter Maude, a free-spirited 79-year-old fellow traveler who like Harold likes to attend funerals. They develop a friendship, and eventual romantic relationship, and it is Maude who teaches Harold about the importance of living life to its fullest. H and M also features a classic soundtrack from 1970s troubadour Yusuf “Cat” Stevens.
