CHICAGO – Patrick McDonald of HollywoodChicago.com appears on The Eddie Volkman Show with Hannah B on WSSR-FM (Star 96.7 Joliet, Illinois) on August 12th, reviewing Season Three of the hit TV series “Never Have I Ever,” streaming on Netflix beginning on August 12th.

Television Rating: **4.5/5.0**

“Never Have I Ever” focuses on the Vishwakumar family from India and their cultural evolution in California, primarily spotlighting teenage Davi (Maitreyi Ramakrishnan). In Season Three, Davi enters Junior Year as one half of “Daxton,” since she is officially dating Paxton (Darren Barnet), the hottest and most popular guy at the school. Her friends are going through their own issues ... Fabiola (Lea Rodriguez) has recently come out gay and Eleanor (Ramona Young) is dating class stoner Trent (Benjamin Norris). At home, Davi’s Mom Nalini (Poorna Jagganathan) continues to struggle with the loss of her husband, and cousin Kamala (Richa Moorjani) is thinking of getting her own place. Can tennis great John McEnroe make sense of it all?
