CHICAGO – Patrick McDonald of HollywoodChicago.com appears on The Eddie Volkman Show with Hannah B on WSSR-FM (Star 96.7 Joliet, Illinois) on September 2nd, reviewing the new TV series “A League of Their Own,” a parallel universe adaptation of the popular 1992 film, now streaming on Prime Video.

Television Rating: **4.5/5.0**

The creators of this new “A League of Their Own” – one of whom is Abbi Jacobson, who is also the main character – made the right choice of creating a whole new universe involving the Rockford Peaches of the All-American Girls baseball league, and as a twist added a story about Black Americans trying to survive during the World War II era. Jacobson is Carson Shaw, the team catcher and married to a soldier at war. Chanté Adams is Maxine, a talented pitcher who is not allowed to be on the team because she’s black. Their stories eventually intersect, as the Peaches strive toward the championship.
