CHICAGO – This 26-image slideshow contains half of the official press images (the second half can be found here [19]) from the Warner Brothers production of “Watchmen,” based on the graphic novel by Alan Moore and Dave Gibbons, starring Malin Akerman, Billy Crudup, Matthew Goode, Carla Gugino, Jackie Earle Haley, Jeffrey Dean Morgan, and Patrick Wilson. Written by David Hayter and Alex Tse and directed by Zack Snyder, the film opens on Friday, March 6th, 2009.

Synopsis: “A complex, multi-layered mystery adventure, “Watchmen” is set in an alternate 1985 America in which costumed superheroes are part of the fabric of everyday society, and the Doomsday Clock—which charts the USA’s tension with the Soviet Union—moves closer to midnight.

When one of his former colleagues is murdered, the outlawed but no less determined masked vigilante Rorschach sets out to uncover a plot to kill and discredit all past and present superheroes. As he reconnects with his former crime-fighting legion—a disbanded group of retired superheroes, only one of whom has true powers—Rorschach glimpses a wide-ranging and disturbing conspiracy with links to their shared past and catastrophic consequences for the future.

Their mission is to watch over humanity…but who is watching the Watchmen?”
