Ryan Reynolds is Wade Wilson, later to be known as Deadpool, a highly-efficient killing machine whose weapons of choice are katana swords.

CHICAGO – This 20-image slideshow contains the official press images from “X-Men Origins: Wolverine,” starring Hugh Jackman, Ryan Reynolds, Liev Schreiber, Dominic Monaghan, Lynn Collins, Danny Huston, Daniel Henney, and Taylor Kitsch. The film, written by David Benioff and Skip Woods and directed by Gavin Hood, opens on May 1st, 2009.

Synopsis:

“X-MEN ORIGINS: WOLVERINE, the first chapter in the X-Men saga, unites Wolverine with several other legends of the X-Men universe, in an epic revolution that pits the mutants against powerful forces determined to eliminate them.

Hugh Jackman reprises the role that made him a superstar, as the fierce fighting machine who possesses amazing healing powers, adamantium claws, and a primal fury known as berserker rage. X-MEN ORIGINS: WOLVERINE stays true to the tone of the X-Men motion picture franchise, continuing the films’ balance between spectacle and reality, while heightening the emotions and relationships.

The film also introduces a team of mutants, including several whose appearances in the movie series have been long anticipated. Movie audiences will meet Team X, a covert military cadre comprised entirely of mutants. Its members are: Wolverine; his brother Victor Creed, aka Sabretooth, a feral being of unimaginable power; Wade Wilson, later to be known as Deadpool, a high-tech mercenary skilled at swordplay; Agent Zero, an expert tracker and lethal marksman; Wraith, a teleporter; Fred J. Dukes, also known as The Blob, a morbidly obese and

super-strong behemoth; and Bradley, who can manipulate electricity. Leading them is William Stryker, a figure introduced in “X2” but whose origins and motives are now fully explored, for it is Stryker’s complex relationship with Wolverine that defines much of Logan’s past ...and future.”
