CHICAGO – This 20-image slideshow contains the official press images for “Next Day Air” starring Mos Def, Donald Faison, Mike Epps, Wood Harris, Omari Hardwick, Emilio Rivera, Darius McCrary, Cisco Reyes, Yasmin Deliz, Lauren London, and Debbie Allen. The film, written by Blair Cobb and directed by Benny Boom, opens on May 8th, 2009.

Synopsis:

“Smalltime hoods Brody (Mike Epps) and Guch (Wood Harris) have seen better days. But when a wacked-out courier named Leo (Donald Faison) accidentally brings them a box containing 10 kilos of high-quality cocaine meant for their next-door neighbors, it sets in motion a hilarious and harrowing chain of events that could cost all of them their lives.

Brody and Guch immediately arrange to sell the coke to Brody’s drug dealer cousin (Omari Hardwick) and his tightlipped bodyguard (Darius McCrary). But when the intended recipients of the package, wannabe gangster Jesus (Cisco Reyes) and his feisty girlfriend (Yasmin Deliz), realize the box hasn’t arrived, they set out on a desperate search to find it before ruthless drug kingpin Bodega Diablo (Emilio Rivera) notices it’s missing.

But it’s too late. Furious over the loss of his shipment, mob boss Bodega will stop at nothing to get the drugs back. With Brody and Guch’s deal about to go down, all parties are on a collision course that’s almost certain to end in heavy gunfire. And whoever’s still standing when the smoke clears could walk away with nearly a million dollars in cash and drugs!”
