Here is "The Burning Plain" plot description:

"The Burning Plain" is a romantic mystery about a woman on the edge who takes an emotional journey back to the defining moment of her life. Oscar-winner Charlize Theron plays Sylvia: a beautiful restaurant manager whose cool and professional demeanor masks a sexually charged storm within.

When a stranger from Mexico confronts her with her mysterious past, Sylvia is launched into a journey through space and time that inextricably connects her to these disparate characters – all of whom are grappling with their own romantic destinies.

In Mexico, a young and motherless girl named Maria (Tessa Ia) lives happily with her father and his best friend until a tragic accident

changes it all. In the New Mexico border town of Las Cruces, two teenagers named Mariana (Jennifer Lawrence) and Santiago (J.D. Pardo) find love in the aftermath of their parents’ sudden deaths.

In an abandoned trailer, a housewife named Gina (Oscar-winner Kim Basinger) embarks on a passionate affair that will put Sylvia and the others on a collision course with the explosive power of forbidden love.
