CHICAGO – Thinking about going to the Chicago International Film Festival? Here’s an incentive for you. If you attend the fest on Tuesday night, Oct. 20, next Wednesday is going to be amazing for you.

Why? Because you were able to view a film that people everywhere are dying to see. But what movie will be you seeing? Well, if I told you, it wouldn’t be a surprise, now would it? Here’s a clue for you to think about. The clue is right in front of you if you just use your imaginarium. Just think: you won’t have to wait until 2012.

Don’t send your avatar. Just take nine of your friends and hit the road to see this amazingly foxy movie. I guarantee you’ll shutter to think what you’d do if you missed out on this great opportunity. You’ll probably be left up in the air trying to cross the Pacific.

The only way to get your hands on these tickets is by wearing a festival T-shirt, sweatshirt or hoodie. If you don’t have yours yet, make sure you get yours at the festival box office. The surprise movie will begin at 8 p.m. on Tuesday, Oct. 20, 2009 at AMC River East 21. Get there early because seating is on a first-come, first-served basis until the capacity is reached.
