“Eclipse,” which hits theaters on June 30, 2010, has Bella (Kristen Stewart) finding herself in danger yet again when Seattle is ravaged by several mysterious killings and a malicious vampire is out for revenge. Bella must also choose between her love for Edward (Robert Pattinson) and her friendship with Jacob (Taylor Lautner).

Like every decision comes consequences and her decision will cause an ageless struggle between the vampire and werewolf. Graduation is quickly approaching and she’s confronted with the biggest and most important decision of her life. Mortality or immortality?
