CHICAGO – Patrick McDonald of HollywoodChicago.com appears on “The Morning Mess” with Dan Baker on WBGR-FM (Monroe, Wisconsin) on September 3rd, 2020, reviewing the new film “Tenet,” the highly anticipated film by director Christopher Nolan, opening in theaters only (see local listings for details).

John David Washington portrays “The Protagonist,” a CIA operative who is introduced to a new case involving the manipulation of time and the future. His partner, Neil (Robert Pattinson) becomes a fellow traveler in this new realm, which involves a Russian oligarch named Sator (Kenneth Branagh) and his wife Kat (Elizabeth Debicki). In this sense, the deeper they go, the higher they fly.

Music Box Theatre in Chicago is showing “Tenet” in 70mm ... one of only seven theaters in the whole country. [Click here](#) [19] for complete details.
