CHICAGO – Patrick McDonald of HollywoodChicago.com reviews the new documentary “Truth is the Only Client: The Official Investigation of the Murder of John F. Kennedy” on the 57th Anniversary of the JFK assassination on November 22nd, 2020. The doc reassembles investigators of the 1964 Warren Commission.

The documentary is a 142 minute talking head style film, punctuated by archival footage and photographs of the three day period in Dallas from the president’s murder to his assassin’s murder ... Lee Harvey Oswald was gunned down by a Dallas strip club owner named Jack Ruby ... and it breaks down those events by dissecting the material the Warren Commission worked with, and using it to prove that Oswald acted alone, and that Ruby’s murder of Oswald was not connected to a greater conspiracy. Available through Video On Demand.
