CHICAGO – Patrick McDonald of HollywoodChicago.com audio film review for “Bones and All,” a delicious Bonnie & Clyde twist based on a 2015 novel by Camille DeAngelis featuring Timothée Chalamet and Mark Rylance, in theaters on November 23rd.

In 1980s Virginia, teenager Maren (Taylor Russell) is forced to move away after gnawing on the finger of a classmate. She becomes somewhat of a drifter until she happens upon Sully (Mark Rylance) who has sniffed her out as a fellow flesh eater. Intending to take her under his wing, Maren escapes his clutches, only to fall into the arms of another “feeder,” the hot blooded Lee (Timothée Chalamet). Together they travel the American landscape as an oddball Bonnie and Clyde, searching for the food that will satisfy their needs.
