Rating: **5.0/5.0**

CHICAGO – Patrick McDonald of HollywoodChicago.com appears on “The Morning Mess” with Jason Makos on WBGR-FM (Monroe, Wisconsin) on December 1st, 2022, reviewing “White Noise,” an adaptation of the iconic 1985 Don DeLillo novel. In select theaters and streaming on Netflix beginning December 30th.

Jack Gladney (Adam Driver) is a renown professor of Adolf Hitler studies at the College-on-the-Hill, living with his fourth wife Babette (Greta Gerwig) and the father to their collective of curious step siblings. The household is challenged by an “airborne toxic event,” a train crash disaster that releases a chemical cloud over their town. As the area goes into a panic evacuation, Jack finds out that Babette is taking a drug that supposedly eradicates the fear of death. Can the family survive and stay together?
