Greetings! If you couldn't guess by now, I'm Adam Fendelman. I'm the brown-haired, brown-eyed chap who started this site for the love of the movies.

I'm from St. Louis and have lived in Chicago since graduating from journalism school in 2000. I'm proud to be among talented, passionate, artistic and eccentric friends on here and throughout Chicago.

Don't be shy. We don't bite *too hard* (*nudge*). Make yourself known, too!
