Here is the synopsis for “Paddington”:

From the beloved novels by Michael Bond and producer David Heyman (“Harry Potter”), “Paddington” tells the story of the comic misadventures of a young Peruvian bear (voiced by Ben Whishaw) who travels to the city in search of a home.

Finding himself lost and alone, he begins to realize that city life is not all he had imagined – that is, until he meets the kindly Brown family who read the label around his neck that says: “Please look after this bear. Thank you.” As they offer him a temporary haven, it looks as though his luck has changed until this rarest of bears catches the eye of a museum taxidermist.

NO-SHOW POLICY

HollywoodChicago.com works hard to coordinate our giveaways for you with the movie studios. If you enter to win and are fortunate enough to

be awarded, we expect you to attend. If you reply saying you can't attend – or don't show up at all without notifying us – that opportunity goes to waste and another lucky HollywoodChicago.com winner misses out on enjoying what you would have. We use various forms of tracking technologies to know whether or not you attended. When you win and don't attend, reputation points will be counted against you and you'll win less frequently. If you enter to win, please make sure you can attend if you do win. Thank you.
